PROFILE

Creative and detail-oriented Graphic Designer transitioning into Frontend Development. Proficient in HTML, CSS, and JavaScript, with a strong foundation in UI/UX design principles. Experienced in creating visually appealing and user-friendly designs, now aiming to develop interactive and responsive web applications. Currently expanding expertise in React.js to build modern web solutions.

PROJECTS

Emerald Publishers Website

<https://emerald-publishers.vercel.app/>

- Designed and developed a professional publishing website with a clean layout.
- Implemented a structured HTML and CSS framework for intuitive navigation.
- Ensured mobile responsiveness using CSS Grid and Flexbox.
- Used JavaScript to enhance interactivity and improve user experience.

Space Tourism Website

<https://space-tourism-website-tau-three.vercel.app/>

- Created an engaging, futuristic-themed landing page for a space tourism service.
- Designed and implemented custom animations for an immersive user experience.
- Utilized JavaScript for interactivity, enhancing navigation between sections.
- Optimized layout for cross-device compatibility with responsive design techniques.

WORK EXPERIENCE

Musiq Bank | Super Apartment | TTPC

2024 - PRESENT

Graphic Designer

- Developed creative social media designs to enhance brand presence.
- Created visually appealing presentation slides and proposals for client engagements.
- Collaborated with the marketing team to ensure cohesive branding across all platforms.

Freelance Graphic Designer & UI/UX Design

2020 - PRESENT

Self-Employed

- Provided brand identity creation, including UI/UX design services for various clients, including "Twinkle by Treasure."
- Delivered comprehensive branding packages, including logos, color schemes, and typography guidelines.
- Conducted user research to understand target audience needs and preferences.
- Developed wireframes and prototypes to illustrate design concepts and user flows.
